On January 10, 2018 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2018 and is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". An article on the website says that the game was created to satisfy the desire of players for a Pokeman Go style experience with "Coin Master: Dig Deep".

"If you have been looking for the best way to have fun with coin master free spins and unlimited coins, Coin Master Puss in Boots Hack MOD APK is one of the best tools available on the internet. Download it now to enjoy unlimited amount of coins and free spins that will last for hours."

"Coins & Curses Adventures" began development in March 2016 when it was announced that the original game, "Coins & Curses", would be receiving a sequel. For this project United Pixelworkers partnered with developer ZenFantasia and have been working together since then to create a new game engine specifically for this title. A plot synopsis was released in April 2017 detailing the game's setting as a fantasy world similar to that of "Coins & Curses". In March 2018 the official title and date of release for "Coins & Curses Adventures" was announced alongside a promotional video of gameplay.

□ by Kilty1314 on 2017/10/02 00:16 This is such a fun game, and I'm so glad I found this one once again. The graphics are very clear and high quality. The game is easy to play, and the instructions are easy to follow. The adds are not bad at all, as they're not too annoying or intrusive. The game itself is very fun and super addicting! If you download this game, make sure that you get it now! You will love it!!"

Great game by MommaDee1234 on 2017/11/14 15:02 This game is free with ads but they aren't bad at all they're actually pretty awesome . It's a free game that I think would be worth the money. It's really fun and makes you stay on it. It's got a lot of levels to unlock that make the game even more interesting and fun. It has very great graphics compared to other games but you don't have to pay for them which is what makes it even better!"
